

Season's Greetings!

**Message From Mike Vaughn, P.E.**

Wow! It's hard to believe that another year has come and gone already. This past year has been tougher than most for all of us and I want to take this opportunity to personally thank you for your continued patronage. All of us here at Vaughn Concrete Products look forward to working with you in the upcoming New Year!

*WE TRULY DO APPRECIATE AND NEED YOUR BUSINESS!*

*SINCERELY  
MIKE VAUGHN*

**Product Catalog on CD**

In an effort to "go green", the old paper product catalog in the 3-ring binder has gone digital! All of us at Vaughn Concrete Products, Inc. are excited to introduce to you the inaugural version of our Digital Product Catalog (DPC) on CD! We are committed to making our business with you as efficient and pleasant an experience as possible. The DPC replaces the old paper catalog and puts our entire product line and contact information at your fingertips without any need for an internet connection!

**Website News**

Our Digital Product Catalog on CD is great to have and use if you don't have access to the internet; but if you do have access to the internet, our entire product line has also been added to our website. Please frequent our website as often as you would like for current news about us, product updates, project photos and more!

We look forward to working with you on your next project!
